Student's Name: \_\_\_\_\_

I understand that as an 18 year old student, I am responsible for abiding by the school policies and procedures regarding attendance, conduct and achievement as stated clearly in the Blessed Trinity Student Handbook. I agree to accept the responsibility for following them.

I also understand that this form in no way exempts me from these policies and procedures and that, if abused, this privilege will be revoked by the school, and my parents will be contacted.

As my son/daughter has reached the age of 18, I will allow him/her to assume responsibility or his/her attendance, conduct and achievement.

I understand that the school retains the right to revoke this privilege if it is abused. Should this occur, I will be advised of the situation.
